BIRTHING A GREATER REALITY

Open yourself to a greater reality in your personal life and in the world!

4th Annual Retreat - April 5-6, 2019

When it feels like you have reached the end of the old world, then, you have arrived at a point of magnificent opportunity: the possibility of transforming every dimension of your life.

Robert Brumet, author of *Birthing a Greater Reality*, offers you:

- A blueprint for releasing old ways of being (thinking? feeling? living? Maybe it's all three!)
- Entry into the ground of your being
- Emergence as a conscious co-creator of your new reality.

In this retreat, you will:

- Explore where we are in our evolutionary journey,
- Address the question "How did we as a species get to where we are today?"
- Explore the very personal question "Who am I and why am I here?"

Engaging the Birthing a Greater Reality process opens you to the possibility of birthing a greater reality in your personal life and in the world.

Daniel Nahmod will present a concert of his poetic and evocative messages of peace, love and compassion on Friday. He will then accompany Rev. Robert, weaving his music into the birthing a greater reality message, during our Saturday retreat.

You do not want to miss this special weekend of bringing together talents, skills, knowledge and resources to work in unity.

REV. ROBERT BRUMET, an ordained Unity minister, is the author of *Finding Yourself in Transition*, *The Quest for Wholeness*, and *Living Originally*. He is retired a faculty member at Unity Institute and Seminary where he taught courses in pastoral studies, spiritual development, and transpersonal theory. He now spends his time teaching Insight meditation, leading retreats and functioning as a spiritual director.
